
Geopolitical Conference

Strategic and Geopolitical Issue in the Contemporary World is an annual international conference organized by **Geopolitical Studies** section of Institute of Political Studies, Faculty of Social Sciences of **Charles University** in Prague. **Since 2011**, this conference brings together experts interested in study of geopolitics to meet in the beautiful city of Prague and talk about major issues in the field.

In **2015** the topic of the conference is **Geopolitical importance of unrecognized states and territorial non-state actors (Causes and consequences of the border change in post-Cold War World)**. Goal of this conference is to present comprehensive set of ideas on issues of sovereignty, international recognition, alternatives to state and unrecognized states. For more information please visit Call for Paper section.
